hyaluronic³

TRIPLE EFFECT

Miraculous Moisturising

Hyaluronic acid is capable of binding great quantities of water. It plays an important role in retaining the skin's moisture, elasticity and firmness. Through the multi-active hyaluronic acid complex contained in the hyaluronic3 range, the skin's own moisture reserves are reactivated and replenished. This intelligent multi-stage system boosts the skin from within. Structuring peptides support this intensively hydrating and softly moulding skincare effect.

Increases skin moisture
after only 2 hours by up to

79%

Cleansing Mousse

This creamy foam with Hyaluronic Acid for especially mild and thorough cleansing removes skin residue and dirt particularly gently and provides the skin with sustainable protection against moisture loss.

Application: Morning and evening, apply to the dampened face, neck and décolleté and gently tap in. Rinse thoroughly with ample water. Suitable for all skin types.

Ref. 3812 · Content 100 ml

Tonic Mousse

Hyaluronic Acid, extract of Kiwi and the long-lasting effect as a moisture depot protect the skin from moisture loss. Tiger Grass strengthens the skin's own natural protection mechanism and makes this product particularly well tolerated. For the perfect finish to cleansing and as the ideal preparation for the skin care products in the Hyaluronic Triple Effect series.

Application: Morning and evening after cleansing with Hyaluronic Cleansing Mousse, apply to the face, neck and décolleté and gently massage into the skin. Do not rinse off.

Ref. 3813 · Content 100 ml

Quicklift Day & Night Serum

This triply active care serum with hyaluronic acid and Quicklift has a plumping and smoothing effect. In an intelligent multi-stage system hyaluronic acid replenishes the skin's own moisture depots. The active ingredient Quicklift acts like a facelift without surgery. The invisible firming matrix contained in Quicklift is rapidly absorbed by the skin giving it an immediate and long-lasting tighter and firmer appearance.

Application: Apply sparingly morning and evening after cleansing to the still damp skin. Follow with an application of hyaluronic³ Day & Night Cream.

Ref. 3802 · Content 30 ml

Day & Night Cream

An intensively hydrating cream for the day and night. Triply active hyaluronic acid complexes are at work in an intelligent multi-stage system providing staggered release of hyaluronic acid in the various layers of the upper epidermis. Valuable grape seed oil, rich in antioxidants, as well as jojoba oil and Squalane perfect the formulation. The skin appears smoother, fuller and firmer: your youthful beauty is reactivated.

Application: Apply morning and evening after hyaluronic³ Quicklift Day & Night Serum.

Ref. 3801 · Content 50 ml

Eye Cream

This eye cream containing hyaluronic acid, Quicklift and nurturing grape seed oil provides intensive hydration and has a gentle modelling effect. Signs of tiredness and premature aging, fine lines, the puffiness of swollen eyelids and dark circles under the eyes are visibly minimized.

Application: Apply morning and evening to the eye area after cleansing. To obtain optimum results with tear sacks and dark circles we recommend using this eye cream in combination with Quicklift Roll-On Eye Serum.

Ref. 3807 · Content 30 ml

Quicklift Roll-On Eye Serum

Intensive firming Roll-On Eye Serum with hyaluronic acid, Quicklift and Eyeseryl™. Regulates the skin's moisture balance and reduces puffiness and dark circles around the eyes. The massage-like action of the roll-on applicator significantly increases the serum's effectiveness.

Application: Morning and evening, activate the required amount of the product by means of the dispensing button. Apply by rolling the applicator ball two or three times from the outer corner to the inner corner of the eye. Gently pat the product into the skin.

Ref. 3804 · Content 6,5 ml

„Re-Fill“ Serum

Rapidly smoothing and wrinkle-filling eye serum containing marine Plankton, Persian Silk Tree and a Hyaluronic Acid and Collagen complex stimulates firmness in collagen structure, replenishes the skin's moisture depots and ensures optimum transport of active substances. A deep penetrating effect counteracts iminishing firmness and the visibility of fine lines, dark circles and tear sacs. Eye lids appear tightened and look noticeably refreshed and younger.

Application: Over 14 days, morning and evening.

Ref. 3809-01 · Content 12 ml

„Re-Structure“ Serum

Eye serum for intensive restructuring and effective reduction of fine lines. Marine active substances stimulate cell renewal and hydration in the deep layers of the skin. Plant extracts of Crocus and Persian Silk Tree have a rejuvenating effect on the delicate skin of the eye area leaving it looking firmed and younger by years. The eyelids appear tighter and the visibility of dark circles and tear sacs is noticeably minimized.

For a sustainably corrected and perfected eye area.

Application: Over 14 days, morning and evening.

Ref. 3809-02 · Content 12 ml

Eye Care Set 1 Month Eye Perfection

Two complementing products each applied for 14 days that firm the eye area, minimize fine lines and wrinkles and visibly reduce dark circles and tear sacs. This innovative concept will enable you to visibly perfect the appearance of the eye area in one month. Two skincare sera which build upon each other in synergy are combined with light therapy and micro-vibration to revolutionise application efficacy and increase the wrinkle filling and structuring effect many times over.

This one-month treatment is divided into two application steps of 14 days each.

Glacier Mousse Powder

Hyaluronic, algae and sea buckthorn beauty powder rich in minerals and trace elements, providing intense hydration. The addition of water turns it into a feather-light mousse, which can be used as a plumping moisture mask, as well as a base for hyaluronic massage.

Application: Pour 30 ml of water into a small bowl. Remove the protective film on the sieve of the Glacier Mousse Powder. Gently sprinkle the powder on the water surface until lightly covered and mix with the mask brush to form a homogeneous gel. Apply the gel to face, neck and décolleté with a brush and leave it for 15 minutes to work, or perform a massage. Then remove the mousse with a tissue or a moist compress and apply the appropriate care cream.

Ref. 3803 · Content 30 g

Peel-Off Mask

Containing silk, hyaluronic acid, and Aquarich to give your skin 24 hours of deep moisture enrichment, this mask optimises your skin's inherent ability to retain moisture while smoothing out fine lines and wrinkles. When the transparent mask is removed, it gently takes away the dead skin cells and other tiny blemishes. Your complexion appears silky smooth, clean down to the level of the pores, and absolutely radiant.

Application: Apply evenly over the cleansed facial skin, omitting the lip, mouth and eye areas. Leave on for 15 – 20 minutes then slowly peel the mask off, working from the sides to the middle of the face. Rinse off excess with warm water. Apply mask up to 3 times a week as required.

Ref. 3806 · Content 75 ml

Neck- and Décolleté Cream

Intensely hydrating and restorative neck and décolleté cream, counteracts the formation of wrinkles, firms the skin and gives it a radiant, healthy appearance. Carefully selected active ingredients ensure a pleasant and effective skincare experience. While macadamia nut oil nourishes the skin, hyaluronic acid and coenzyme Q10 ensure a visible reduction in wrinkles. Allantoin has a cell-renewing effect and regenerates the skin.

Application: Apply morning and evening from the décolletage region to the neck using gentle upward movements.

Ref. 3821 · Content 75 ml

Hya Pearls Day & Night Gel

This innovative moisturising gel provides immediate and long-lasting replenishment of the skin's moisture depots. The gel stimulates collagen and elastin structure and refines the appearance of pores.

Application: Apply morning and/or evening to cleansed skin. Then apply hyaluronic³ Day & Night Cream sparingly.

Ref. 3810 · Content 30 ml

Active Hydrating Complex

Active hydrating complex for a revitalised complexion. With a low molecular weight and liposomal encapsulated hyaluronic acid as well as two active hyaluronic acid boosters. The skin is intensively moisturised, and wrinkles can be padded, filled, and smoothed from the inside.

Application: Apply mornings and evenings to damp skin and pat in gently. Then apply hyaluronic³ Day & Night Cream.

Ref. 3822 · Content 30 ml

naturel 

The secret to natural beauty

With its naturel range, être belle cosmetics has successfully blended highly complex natural active ingredients with secrets from grandma's garden.

This unique combination of the newest micro-algae technology with broccoli, corn, radish, carrot, beetroot and rosemary offers natural efficacy unlike that of any other natural product. Blended with soothing actives such as white tea and cotton extract, along with wound-healing oils from apricot kernels and the sea buckthorn berry, this range really can do everything. It contains active ingredients for repairing DNA, fighting ageing, calming and moisturising the skin, and, additionally, is NATRUE-certified.

Cotton Micellar Water

Mild cotton cleaning with micellar technology. Deep cleans the skin, gently removes impurities and make-up from the pores and at the same time acts as a clarifying and nourishing tonic. Particularly mild with white tea and cotton extract.

Application: Apply a few drops of micellar water in the palms or on a cotton pad and lightly lather by gently rubbing. Spread all over the face and wash off if necessary.

Ref. 7001 · Content 150 ml

Day & Night Cream

24-Hour Facial Care Cream

The texture of Purity Intense 24-Hour Facial Care Cream has an antibacterial action and its active ingredients combine effectively with salicylic acid and zinc to help your skin to return to normal. Contains sebum-regulating, keratolytic active ingredients that reduce skin impurities and help calm inflammation, boosting your skin's radiance for a young, healthy appearance!

Application: Mornings and nights, after cleansing with Cleansing Gel and Refreshing Toning Gel, apply to your face and massage in gently. For best results, use together with Gentle Enzyme Scrub + Mask.

Ref. 5071 · Content 50 ml

Ultra-Effect Facial Fluid

Intensive emergency treatment that helps relieve skin impurities and irritations. This Facial Fluid sustainably regulates sebum production, has a keratolytic action and its active ingredients combine effectively with salicylic acid and zinc to help restore the skin's natural balance.

Application: Mornings and nights, after cleansing with Cleansing Gel and Refreshing Toning Gel, apply to your face and massage in gently. Formulated especially for acute use on problem, oily and irritated skin. For best results, use together with Gentle Enzyme Scrub + Mask.

Ref. 5072 · Content 50 ml

Pure Cleansing Gel

A gentle yet thorough cleansing gel from the Purity Intense line that contains moisturising glycerine and panthenol and purifies the skin without drying it out. Contains salicylic acid which has an antimicrobial and anti-inflammatory action and helps soothe irritated problem areas, oily and combination skin. This Cleansing Gel prepares the skin perfectly for the following steps in the Purity Intense treatment programme.

Application: Wet your face and apply daily mornings and nights, working into a generous lather and massaging in to your skin. Then rinse thoroughly with plenty of water. This Cleansing Gel is the first step in the Purity Intense treatment programme.

Ref. 5073 · Content 150 ml

Gentle Enzyme Scrub + Mask

Contains papain, an enzyme found in papaya, which when used regularly has both an antibacterial and antioxidant effect and an anti-inflammatory action on problem, acne-prone skin. It also helps regulate sebum production and reduces skin thickening and unevenness, leaving your skin perfectly prepared for the next steps in your treatment programme.

Application: Depending on the condition of your skin, apply two or three times a week after cleansing with Cleansing Gel. Use as required, either massaged in gently as a mechanical peel or left on as a mask for around 5 – 15 minutes. Then rinse thoroughly with water and finish off your treatment with either Toning Gel, 24-Hour Cream or Ultra-Effect Facial Fluid.

Ref. 5074 · Content 75 ml

Refreshing Toning Gel

A Refreshing Toning Gel containing an extremely effective antimicrobial zinc compound as well as moisturising panthenol. Also contains witch hazel which refines the pores, and allantoin which soothes red, irritated skin.

Application: Apply daily mornings and nights, massaging it in to your skin gently, then leave it to penetrate for a short while. For best results, apply as a final treatment after Purity Intense Pure Cleansing Gel and Gentle Enzyme Scrub + Mask. The ideal preparation for 24-Hour Facial Care Cream and Ultra-Effect Facial Fluid.

Phase 1 Pearl Cleansing Mousse

Cleanses the skin gently and carefully. The delicate creamy mousse removes makeup and dirt particles without leaving a feeling of tension and protects your skin from negative environmental influences.

Application: Gently massage into the moist facial skin in the mornings and evenings. Then rinse with plenty of water and cleanse the skin with purewhite Pearl Refreshing Tonic.

Ref. 4090 · Content 150 ml

Phase 2 Pearl Refreshing Tonic

This freshness kick for your skin contains lightening and intensively moisturising agents. The tonic supports regeneration of the epidermis and increases the absorption capacity of the purewhite products.

Application: Apply mornings and evenings to your face after cleansing.

Ref. 4091 · Content 120 ml

Phase A Pearl Fruit Peeling

Activates the skin's exfoliation process. The Pearl Fruit Peeling forms an optimal, receptive base for the lightening agents due to the removed corneal layer. For an even and smooth skin surface.

Application: Apply as required on your face and leave it to set in for a few moments. Then rinse thoroughly. Caution: stay well clear of the eye area, then neutralize your skin with Pearl Concentrate!

Ref. 4092 · Content 40 ml

Phase 3 + B Pearl Concentrate

Concentrate with 3-fold effect: Neutralizes the skin after the Pearl Fruit Peeling, is used for targeted treatment of pigmentation and is recommended as a serum for daily use. Supports the regeneration process, provides valuable moisture, and makes your complexion glow.

Application: Apply morning and evening on your toned or exfoliated face. To provide intensive treatment, put the concentrate on the pigmented spots. The concentrate is absorbed without leaving any residue. Then use Pearl Day Cream or Pearl Night Cream.

Ref. 4093 · Content 40 ml

Phase 4 Pearl Day Cream

This light cream contains a whitening active complex, thus ensuring a radiant and clear complexion. It makes your skin supple and delicate. The incorporated sun protection factor protects the skin.

Application: Apply in the morning after applying the Pearl Concentrate on your face, neck and décolleté.

Ref. 4094 · Content 50 ml

Phase 4 + C Pearl Night Cream

Regenerates and nourishes your skin overnight and supports the skin's detoxification system. This night cream with various depigmentation factors ensures a fresh appearance and improves clarity of your skin tone while you sleep. For intensive treatment, also apply as a mask.

Application: In the evenings after applying the Pearl Concentrate on your face, neck and décolleté. As a mask, leave on for 15 to 20 minutes and then massage in the product residues.

Ref. 4095 · Content 50 ml

Phase 4 Pearl Day Cream SPF 50

This special day cream contains a sunscreen of 50 for intensive protection against UV radiation-induced pigmentation. The whitening ingredient complex ensures a radiant complexion and refreshes the clarity of your skin tone.

Application: Apply in the morning after applying the Pearl Concentrate on your face, neck and décolleté. Especially recommended for light-sensitive, dry skin.

Facial Oil Serum prickly pear

The oil serum from the core of the prickly pear cactus has anti-aging properties and can protect against free radicals, which are a primary cause of premature aging. The rich combination of essential fatty acids noticeably strengthens and tones the skin, and provides important elements for a healthy appearance.

Application:: Apply a few drops to the facial skin as needed and massage. Gently pat the skin.

Ref. 1940-01 · Content 15 ml

Facial Oil Serum chia seed

Chia seed oil serum is intensively moisturising. The superfood makes the skin noticeably supple and smooth. Chia is the richest vegetable source of omega-3 fatty acids, which occur in nature and thus provide the skin with important nutrients that will let it radiate with good health.

Application:: Apply a few drops to the facial skin as needed and massage. Gently pat the skin..

Ref. 1940-02 · Content 15 ml

Facial Oil Serum elderberry seed

The oil serum from the heart of the elder has a skin-soothing and anti-inflammatory effect. The naturally high proportion of α -linolenic acids and phytosterols stabilises the skin's barrier layer, meaning it can help to soothe sensitive or acne-prone skin.

Application:: Apply a few drops to the facial skin as needed and massage. Gently pat the skin.

Ref. 1940-03 · Content 15 ml

Couperose Cream

This cream helps to improve the appearance of the skin and little red veins becomes less visible.

Application: In the morning and in the evening apply the cream under the appropriate day or night cream.

Ref. 3110 · Content 50 ml

Couperose Serum

Couperose Serum with herbal extracts to strengthen fine blood vessels. Soothes sensitive skin with a tendency to dilated capillaries (couperose). Redness is reduced with regular use and the skin appears firm and refreshed.

Application: Apply morning and evening to the affected skin areas and gently press in. Follow with an application of Couperose Cream.

Ref. 4012 · Content 15 ml

Cellular Night Repair Serum

Cellular Night Repair Intensive Serum was developed to firm and refine your skin while you sleep, helping to permanently regenerate skin cells. Effectively helps tackle cell damage caused by ageing and sun exposure by maximising the skin's night-time capacity for regeneration. Wake up to visibly more beautiful skin – every day!

Application: Apply in the evening to cleansed and toned skin on the face, neck and décolletage and gently rub into the skin until absorbed. Follow with a night cream and an eye cream tailored to your skin's specific needs. To dispense, unscrew the lid and squeeze the dropper, leaving the lid unscrewed. The dropper will fill with product. Squeeze the dropper to dispense 2-3 drops and apply to slightly damp skin.

Ref. 4014 · Content 15 ml

Pore Refiner Serum

Care serum for refining pores and the complexion. Immediately after application, the active herbal ingredients lend a smooth, matte and shine free appearance. The natural ingredients regulate sebum production and ensure optimum oil and moisture balance in the various facial zones. The complexion is evenly refined and full of radiant strength.

Application: With oily skin/combination skin: In the morning and/or evening apply to cleansed and toned facial skin and press gently. Follow with an eye cream tailored to your skin's specific needs. With mature skin use the serum according to your respective day or night care regimen.

perfect hands Hand Care Set

The care set consisting of a hand and nail cream, a hand and nail butter and a peeling soothes dry hands, relieves the feeling of tension and supplies the skin with moisture.
With a summery scent of grapefruit.

Hand- & Nail Cream
With valuable ingredients such as vitamins A, E and F, as well as allantoin and shea butter. Vitamins A, E and F protect against cell damage and care for the skin. Allantoin promotes the regeneration of the upper layer of the skin and supplies the hands with moisture. Shea butter has a calming property and thus relieves existing feelings of tension or itching in extremely dry skin.

Hand- & Nail Butter
The rich care for dry and stressed skin. Cocoa and almond kernel butters strengthen the cells, improve the skin and have a healing effect on the skin. Thanks to the contained almond oil, the hands remain soft and supple even after application.

Hand- & Nail Peeling
The hand and nail peeling frees the hands from old flakes of skin in a particularly mild way and has a calming effect. The skin is protected from moisture loss and is immediately noticeably soft and supple. Valuable active ingredients such as tocopherol and grapefruit extract improve the surface of the skin, accelerate wound healing and care for stressed skin.
