The range of **White Hibiscus Beauty Essentials** is designed to optimally cleanse your skin in order to prepare it for her cares. It consist of 4 products formulated to delight all skin types, even the most sensitive, with a complete daily routine.

Cleansing your skin is a key step in a skincare routine. The **White Hibiscus Cleansing Gel**, composed of natural and soap-free cleansing agents, allows you to clean your skin daily without damaging it. Its light formulation, enriched with moisturizing and soothing plant ingredients, envelops your face in a creamy foam. This **Cleansing Gel** has the capacity to clean gently and purify all skin types, even the most sensitive.

[Aloe Vera, White Hibiscus and Centella Asiatica extract: 3 repairing active ingredients](#)

Excellent soothing and antioxidant, the **Organic Aloe Vera** promotes the **hydration** of your skin while **soothing it**. It gives you a **feeling of comfort** after the cleaning phase.

Rich in vitamins and essential fatty acids, **White Hibiscus Extract** helps to **reinforce the skin barrier**. It is known for its moisturizing properties and also helps to **restore the natural radiance** of your skin.

The **Extract of organic Centella Asiatica**, key active of our brand, **repairs and soothes in-depth your skin** to improve its aspect and its smoothness. Also, this plant contributes to the **regeneration of your epidermis and moisturizes it**.

[A gentle cleansing base that respects your skin](#)

Thanks to its formulation obtained from plant-based ingredients and respectful of the environment, the gentle cleaning base used helps to the **delicate cleansing** of your skin.

Its gel texture forms a light and airy foam in contact with water during the application. This foam envelops your face while cleansing and leaves your **skin smooth and soft** after use. Your skin is perfectly **cleansed and purified**.

[Concentrated in purifying and toning plant hydrosols: Rose and Rosemary](#)

The **Organic Rose Hydrosol** prevents **the signs of skin aging**. **Astringent and toning**, it brings back tonicity to your skin in order to restore a radiant complexion. Its **purifying and refreshing** properties give back comfort to your skin while sublimating your complexion.

The **Organic Rosemary Hydrosol** has multiple properties, such as **purifying and antibacterial**. It **cleanses the epidermis, tightens pores and soothes irritations**. **Powerful calming and skin restructuring**, it is an ingredient of choice for all skin types, even the most sensitive.

INSTRUCTIONS FOR USE :

Morning and evening, apply a small amount on your hands and lather up the gel on your face and neck previously moistened. **Gently massage** the entire area with circular movements. Once your skin cleaned, rinse the product with clear water. You can complete this routine by applying the [White Hibiscus Tonic Lotion](#) to perfect her cleaning and give your skin a glow.
