

TENDERNESS CREAM

ROSE CARESSE

Normal to dry sensitive skins

Ref. : H0062 – Airless bottle 40ml

HC0062 – Airless bottle 100ml

COSMOS ORGANIC

PROPERTIES :

This smooth cream is ideal for moisturizing and bringing comfort and suppleness to the normal to dry sensitive or reactive skins. Due to its concentrated formula in **hyaluronic acid** and **Organic and Fair trade Shea butter**, the epidermis is intensively moisturized and nourished. Complexion is radiant and the skin refinds youth and vitality.

Enriched with **Organic Musk Rose oil**, a real ally of dry, sensitive, devitalized and dehydrated skins, this cream immediately soothes the reactive skins. Combined with the anti-inflammatory **Aloe Vera juice**, it provides a quick soothing effect to the skin.

Hyaluronic acid, as a real « sponge » molecule, **Glycerin** and **Aloe Vera** are 3 powerfull moisturising ingredients present in this formula. It improves the water fixation inside the skin and contributes to maintain the skin water balance.

This cream protects against any external aggressions due to the protective action of **Hazelnut**, **Sweet Almond** and **Musk Rose** oils, which strenghen the lipidic barrier. **E Vitamin**, as a powerfull antioxydant, contributes to catch the free radicals and fights against the oxydative stress which is responsible for the cell ageing.

DIRECTION FOR USE :

Every morning and/or evening, apply the equivalent of 1 or 2 nuts of cream on a perfectly cleaned skin, with light circular movements on the face and the neck.

COMPOSITION :

Organic Musk Rose oil	A small shrub from Chili, Musk Rose is known for its red seeds from which is obtained by first cold pressure a beauty enhancer oil. Real ally of dry, sensitive, dehydrated and devitalized skins, this regenerating precious oil contributes to strength the cutaneous barrier. It perfectly penetrates bringing youth and suppleness to the skin.
Organic and Fair Trade Hazelnut oil	From Turkei fair trade, Hazelnut oil protects the skin against dryness and provides a soft touch. It is recommended to dry and reddning skins.
Organic and Fair Trade Shea butter	From Mali fair trade, Shea butter is very nourishing and contributes to maintain the skin moisturizing.
Organic Centella asiatica extract	Improves the collagen synthesis, repares and deeply soothes. It is an exceptionnal anti-ageing ingredient.
Organic Lemon original extract	Contributes to stimulate and tonify the skin.

Organic Glycerin	As a powerfull moisturising ingredient, it protects the skin against dehydration and brings a very soft touch.
Organic Aloe Vera juice	As a powerfull moisturising ingredient, Aloe vera improves the cell cohesion of the skin barrier and protects against transepidermal water loss.
Hyaluronic acid (plant origin)	As a powerfull moisturising and plumping ingredient, it is naturally present into the skin and it is able to capt till 1000 times its own weight in water.
E Vitamin	As an anti oxydating et anti-ageing active principle, E Vitamin catches free radicals in the skin.

INCI : Aloe barbadensis leaf juice*, Citrus limon (Lemon) fruit water,* Corylus avellana (Hazel) seed oil*, Helianthus annuus (Sunflower) seed oil, Butyrospermum parkii (Shea) butter*, Glycerin**, Cetearyl alcohol, Sodium stearoyl glutamate, Glyceryl Stearate, Triticum monococcum stem water*, Rosa rubiginosa fruit oil*, Centella asiatica flower/leaf/stem extract*, Sodium hyaluronate, Tocopherol, Xanthan gum, Chondrus Crispus (Carrageenan) extract, Aqua, Benzyl alcohol, Parfum (Fragrance), Cetearyl glucoside, Dehydroacetic acid, Citric acid, Sodium benzoate, Potassium sorbate.

LIGHTNESS CREAM ROSE CARESSE

Combination to oily sensitive skins

Ref. : H0063 – 40ml Airless bottle

HC0063 – 100ml Airless bottle

COSMOS
ORGANIC

PROPERTIES:

This light emulsion, with the Organic Musk Rose oil and natural moisturising ingredients is recommended to protect, sooth and regulate the combination to oily sensitive or reactive skins.

Its light texture quickly penetrates into the skin without any oily film effect. Its delicate perfume makes your daily beauty routine a real moment of pleasure.

Enriched with **Musk Rose oil**, that is a real ally of the sensitive, devitalized and dehydrated skins, it quickly soothes the reactive skins. The **Jojoba oil** strenghtens the hydrolipidic film and acts like a barrier against any external aggressions. Combined to anti-inflammatory **Aloe Vera juice**, it provides an immediate soothing effect to the skin.

Especially formulated for combination to oily skins, its formula is enriched with virgin **Hazelnut oil** and **Pansy extract** to regulate and balance the sebum. This property is completed by the purifying action of the **original Lemon extract**.

Hyaluronic acid, that is a real « sponge » molecule, **Glycerin** and **Aloe Vera** are 3 powerfull moisturising ingredients present in this formula. It improves the water fixation inside the skin and contribute to maintain the skin water balance.

Day after day, the skin is soothed and moisturized and seems more soft and supple. Protected and boosted, the skin find its new radiance.

DIRECTION FOR USE :

Every morning and/or evening, apply the equivalent of 1 or 2 nuts of cream on a perfectly cleaned skin, with light circular movements on the face and the skin.

COMPOSITION :

Organic Musk Rose oil

A small shrub from Chili, Musk Rose is known for its red seeds from which is obtained by first cold pressure a beauty enhancer oil. Real ally of sensitive, dehydrated and devitalized skins, this regenerating precious oil contributes to strength the cutaneous barrier. It perfectly penetrates bringing youth and suppleness to the skin.

Organic and Fair Trade Hazelnut oil

From Turkei fair trade, Hazelnut oil protects the skin against dryness and provides a soft touch. It is recommended to sensitive skins.

Organic Jojoba oil

Ideal care for sensitive and dehydrated skins, Jojoba oil strenghtens cutaneous hydrolipidic film while providing suppleness and elasticity to the skin. Moisturising and revitalising, it reinforces the hydrolipidic film and regulates the sebum of the oily skins. It is recommended to correct the appearance of skin problems (ex : acne).

Organic wild Pansy (Extract)

Wild pansy extract contributes to regulate sebum excess of normal to oily skins.

Organic Lemon original extract	Contributes to stimulate and tonify the skin.
Organic Glycerin	As a powerfull moisturising ingredient, it protects the skin against dehydration and brings a very soft touch.
Organic Aloe Vera juice	As a powerfull moisturising ingredient, Aloe vera improves the cell cohesion of the skin barrier and protect against transepidermal water loss.
Hyaluronic acid (plant origin)	As a powerfull moisturising and plumping ingredient, it is naturally present into the skin and it is able to capt till 1000 times its own weight in water.
E Vitamin	As an anti oxydating et anti-ageing active principle, E Vitamin catches free radicals in the skin.

INCI : Aloe barbadensis leaf juice*, Corylus avellana (Hazel) seed oil*, Citrus limon (Lemon) fruit water*, Glycerin**, Simmondsia chinensis (Jojoba) seed oil*, Sucrose stearate, Microcrystalline cellulose, Parfum (Fragrance), Aqua, Candelilla/Jojoba/Rice Bran Polyglyceryl-3 esters, Glyceryl stearate, Triticum monococcum stem water*, Viola tricolor extract*, Sodium hyaluronate, Centella asiatica flower/leaf/stem extract*, Helianthus annuus seed oil, Rosa rubiginosa fruit oil*, Xanthan gum, Chondrus Crispus (Carrageenan) extract, Tocopherol, Benzyl alcohol, Cetearyl alcohol, Sodium stearoyl lactylate, Cellulose gum, Dehydroacetic acid, Sodium hydroxide, Sodium benzoate, Potassium sorbate, Citric acid.

ANTI-REDNESS SERUM ROSE CARESSE

Sensitive skins

Ref. : H0142 – Flacon ergopack 30ml
HC0142 – Flacon ergopack 50ml

PROPERTIES :

This Anti-redness Serum is organic certified and contains 96% of ingredients from organic farming. Ultra-concentrated in Centella asiatica and in Aloe vera, it is ideal to sooth sensitive and reactive skins, which are subject to redness and irritations. Its expert formula with gel texture and light perfume, is efficient from the 1st use.

Skin rednesses are due to high reactivity of the face blood vessels which can be caused by weather conditions (cold, sun, temperature changes,...), emotionnel factor or age. Anti-Redness Serum helps to reduct temporary or diffuse face redness.

Centella asiatica is a plant used from centuries for its healing action. Recent scientific studies have proved its action on the cutaneous micro-circulation. It boosts also the structure of the collagen inside and around the vein wall. Thus Centella asiatica helps to reduce the blood vessels expansion. Hydraflore Firming and Stretch mark serum contains more than **35% of Centella asiatica aqueous extract** providing an immediate and long lasting efficiency.

Due to its formula, which is rich in natural **hyaluronic acid** which is a real « sponge » molecule able to fix till 1 000 times its own weight in water, so the epidermis is intensively moisturized, repaired and plumped. Combined to the soothing and regenerating **Centella asiatica extract** and **Musk Rose oil** properties, this serum removes all incomfort feeling and protects against daily external aggressions. The skin is deeply repaired and seems to be more smooth and tonic.

Its expert formula, with light texture and perfume, is highly concentrated in natural active ingredients

DIRECTION FOR USE :

Every morning and/or evening, apply the serum with light circular movements on the face. To be more comfortable, mix 1 nut of the serum with your cream and apply on the face and the neck.

COMPOSITION :

Organic Musk Rose oil	A small shrub from Chili, Musk Rose is known for its red seeds from which it is obtained by first cold pressure a beauty enhancer oil. Real ally of dry, sensitive, dehydrated and devitalized skins, this regenerating precious oil contributes to strength the cutaneous barrier. It perfectly penetrates bringing youth and suppleness to the skin.
Organic Fenugreek extract	Fenugreek helps the skin tissue to refind firmness, elasticity and softness and prevents so the skin from ageing. It is known for its soothing and healing properties.
Organic Hops extract	This extract, known for its tonifying and firming properties, contributes to protect the skin from ageing. It si known for its soothing and healing properties.
Organic Centella asiatica extract	It mproves the collagen synthesis, repares and deeply soothes. It is an exceptionnal anti-ageing ingredient.
Organic Lemon original extract	It contributes to stimulate and tonify the skin.

Organic Glycerin	As a powerfull moisturising ingredient, it protects the skin against dehydratation and brings a very soft touch.
Organic Aloe Vera juice	As a powerfull moisturising ingredient, Aloe vera improves the cell cohesion of the skin barrier and protects against transepidermal water loss.
Hyaluronic acid (plant origin)	As a powerfull moisturising and plumping ingredient, it is naturally present into the skin and it is able to capt till 1000 times its own weight in water.

INCI : Aloe barbadensis leaf juice*, Triticum monococcum stem water*, Citrus limon (Lemon) fruit water*, Glycerin**, Chondrus Crispus (Carrageenan) extract, Centella asiatica flower/leaf/stem extract*, Humulus lupulus (Hops) cone extract*, Sodium hyaluronate, Trigonella foenum graecum seed extract*, Rosa rubiginosa fruit oil*, Aqua, Xanthan gum, Benzyl alcohol, Parfum (Fragrance), Sodium benzoate, Potassium sorbate, Dehydroacetic acid, Citric acid, Sodium hydroxide.

FIRMING & STRETCH MARK SERUM ROSE CARESSE

Sensitive skin

Ref. : H0152 – Ergopack 100ml

HC0152 – 250ml bottle

PROPERTIES :

Especillay formulated for sensitive and fragile skins, this serum is recommended to firm and tonify the skin, to boost the cell renewing and to prevent and correct stretch marks.

This expert formula, with light texture and delicate perfume, contains more than 40% of firming ingredients. Fennugreek, Centella asiatica and Hops extracts, powerful regenerating and firming ingredients, help to softly smooth the epidermis and to provide firmness and elasticity to the skin.

Due to the presence of Musk rose oil, repairing and regenerating, Firming and stretch mark serum helps to boost the cell renewing and to fortify the skin structure, thus fighting against stretch marks.

Due to the presence of natural hyaluronic acid, a real « sponge » molecule, the epidermis is intensively moisturized, repaired and plumped.

Skin is visibly more smooth, firm and tonic.

DIRECTION FOR USE :

Every morning and/or evening apply the serum and rub it into the skin with light circular movements on all skin slackening areas (bust, arm, buttock, thigh, stomach). We recommend to apply then a moisturising cream or oil.

COMPOSITION :

Organic Musk Rose oil	A small shrub from Chili, Musk Rose is known for its red seeds from which is obtained by first cold pressure a beauty enhancer oil. Real ally of dry, sensitive, dehydrated and devitalized skins, this regenerating precious oil contributes to strength the cutaneous barrier. It perfectly penetrates bringing youth and suppleness to the skin.
Organic Fenugreek extract	Fenugreek helps the skin tissue to refind firmness, elasticity and softness and so prevent from the skin ageing. It is known for its soothing and healing properties.
Organic Hops extract	This extract, known for its tonifying and firming properties, contributes to protect the skin from ageing. It is known for its soothing and healing properties.
Organic Centella asiatica extract	It improves the collagen synthesis, repairs and deeply soothes. It is an exceptional anti-ageing ingredient.
Organic Lemon original extract	It contributes to stimulate and tonify the skin.
Organic Glycerin	As a powerful moisturising ingredient, it protects the skin against dehydration and brings a very soft touch.

**Organic Aloe Vera
juice**

As a powerfull moisturising ingredient, Aloe vera improves the cell cohesion of the skin barrier and protects against transepidermal water loss.

**Hyaluronic acid
(plant origin)**

As a powerfull moisturising and plumping ingredient, it is naturally present into the skin and it is able to capt till 1000 times its own weight in water.
